

NEW YACHT FOR LONG OCEAN RACE

Herrshoffs Receive Order for a Boat Eligible to Compete in Transatlantic Event.

THE EX-CHAMPION IMPROVES

If Corbett Defeats Herrera the Mexican, Will Retire—Already Down to Weight.

BRISTOL, R. I., January 3.—An order for an ocean racing schooner yacht eligible for the ninety-foot class has been placed with the Herrshoffs and the preliminary work of laying down the boat on the serving board has been begun at the shipyard here.

The yacht, it is understood, will be 87 feet water line and about 125 feet over all, and is to be constructed of steel. The material for her construction is not yet all on hand, but it is expected that the keel will be laid within two weeks.

The name of the man for whom the yacht is to be built is not disclosed here, but it is understood that he is a foreigner and that the schooner will race across the Atlantic.

Will Retire if He Loses.

LOS ANGELES, CAL., January 3.—"The fact that Corbett is the public choice gives me all the more encouragement that I will win from him on January 12," said Aurelia Herrera this morning, as she stood on his way to his training quarters to resume his work.

"Should I fail to win, I will retire from the ring forever. However, I do not feel that this will be necessary, for I am already down to weight, and am in the best of condition."

I am informed that Corbett is having great difficulty in making this weight, and that he is using every possible effort to come within the limit.

Corbett put in an hour on the road, and then tried out his new sparring partner. The Denverite has shown great improvement since he has reached here. "The little fighter is attending strictly to his work, and avoids the dissipation that cost him the lightweight crown."

Hedges Off for Cuba.

ST. LOUIS, MO., January 3.—President Robert L. Hedges, of the St. Louis Browns, left for Cuba yesterday. He will be gone until February 1st. Mrs. Hedges is making the trip with him. "My winter's work is over, and I have nothing to do until it comes time to ship the players to Dallas in March," stated Hedges before making his get-away. "I am satisfied with my lot of talent, and confidently expect that we will land in the first division."

Great Brood Mare Dead.

SAN FRANCISCO, January 3.—Liberty, one of the celebrated brood mares in the history of the California turf, is dead. Suffering from old age, she was chloroformed. Liberty was the dam of the great colt, George C. Bennett, the frequent winner of the Kentucky Derby, and as a result the mat name has been as dead as the language of the Greeks.

However, the turn of the lovers of wrestling comes this month, and for a starter New York will have a chance to see a bout of the topnotch brand on January 12th, when George Bothner and Alexander Swanson meet. The match will, from present indications, be decided in the Grand Central Palace, but more definite arrangements will be announced later.

Other matches are in contemplation, and with the Bothner-Swanson bout as a preliminary for a season which begins very late lovers of the game should have nothing to complain of, as what has been missed in numbers will more than be made up for in quality.

TRAIN RUNS OVER EXPERT SHEET WRITER

(By Associated Press.) NEW ORLEANS, January 3.—A construction train on Canal Street ran over and terribly mangled Owen Jamison, well known throughout the country as an expert sheet writer on race tracks and pool rooms.

TO BUY BOSTON CLUB.

Syndicate Being Formed to Buy Out Present Owners.

BOSTON, January 3.—If present plans are carried out, it is likely the Boston National League Club will change ownership within a short time, and, with a dozen or more hustling men behind it, the South End Club will be put on a basis that will make it a worthy rival of the local American team. Local men will own the club, and no expense will be spared to produce a first division team. A meeting of those interested has been set for an early date.

To form a stock company that will buy out the present owners is the purpose of those promoting the scheme. At least six men already have signified their willingness to subscribe the required amount. The club can be bought on easy terms. Soden and Conant are willing to sell for \$70,000 cash, and will take a mortgage for the remainder at a reasonable rate of interest. The full price is \$70,000, the same sum which Frank Dunn was to have paid.

Director Conant will not retire from

SCROFULA AN AWFUL INHERITANCE

While it is true that Scrofula may be acquired under certain conditions, it is usually inherited. Parents who are related by the ties of blood, or who have a consumptive tendency, or family blood taint of any character, are sure to transmit it to their children in the form of Scrofula. Swollen glands, brittle bones, poor digestion, weak eyes, Catarrh, emaciated bodies and general weak constitutions are the principal ways in which the disease is manifested. The blood has been diseased from birth, and being in this condition cannot properly nourish the body and Scrofula is the result. A hereditary disease like this can only be reached by a constitutional remedy and nothing equals

S.S.S. Inherited Scrofula, and about seven years ago I suffered intensely from it. Tried every doctor available at great expense, but grew rapidly worse; in fact, had given up all hope of being cured, and as a dying man will grasp at a straw, I was persuaded by my brother, much against my will, to try S.S.S. After taking six bottles, I felt a wonderful change for the better. I continued to take it for six more bottles, taking in all about fifteen bottles, which entirely cured me. Montgomery, Va. W. H. STOCKTON.

S. S. S. as a cure for it. It cleanses and strengthens the deteriorated blood, drives out all scrofulous and tubercular deposits, and there is a gradual but sure return to health. S. S. S. supplies to the anaemic, lifeless blood the properties necessary to build back to strong, robust health, and does this gently and so thoroughly that no signs of the disease are ever seen in after life. Being purely vegetable S. S. S. is the best remedy for Scrofula; its harmless but healing ingredients enter into the circulation and replace wax-like, bloodless faces with vigorous strength glowing with health. Book with information about Scrofula and medical advice free.

NEGROES COULDN'T SEE PRESIDENT

Roosevelt Refuses to Receive a Delegation of Colored Preachers.

THEY LEAVE VERY INDIGNANT

Called at White House to Protest Disfranchisement, But President Too Busy.

(Special to The Times-Dispatch.) WASHINGTON, D. C., January 3.—President Roosevelt to-day turned down a delegation of negro brethren by refusing to see them. The delegation, consisting of Rev. J. S. Corrothers, pastor of a local Methodist church; Rev. J. C. Scott, pastor of the Metropolitan Methodist Church; and Professor W. H. Hart, of the law department of Howard University, called at the White House for the purpose of inviting the President to deliver an address before a convention of negroes from all sections of the country, to be held here January 24th, for the purpose of considering the question of negro suffrage.

The President declined to see the delegation on the ground that he was too busy. This is the first time that President Roosevelt has declined to see a delegation of negroes. The negro ministers were very indignant when they left, but declined to make any comments.

The convention will consider all phases of the right of suffrage so far as the negroes are concerned. They will favor the Crumpacker law providing for a reduction of the representation of the South in Congress to correspond with the number of votes actually cast. They will also take up the question of the "grandfather" clauses of the constitution of some of the Southern States which deprive the negroes of their votes, and will make other demands for their rights. They expect to induce Congress to declare itself on this subject.

IRWIN MAY DISRUPT BOSTON AMERICANS

Representative of Outlaw League Trying to Sign the Four Deleahy Brothers.

(Special to The Times-Dispatch.) CLEVELAND, O., January 3.—Unless the present plans of Arthur Irwin fail, the Boston team, two times champions of the American League, will be riddled by the outlaw organization, known as the Interstate League, composed chiefly of teams located in Pennsylvania towns.

Irwin was in Cleveland Tuesday and disclosed his plans. He is taking advantage of the chaotic condition of affairs in the Boston team, owing to President Taylor's retrenchment policy. Early this morning Irwin left for Syracuse, where he will sign pitcher "Bill" Dineen to a contract with the Altoona Club of the Interstate League. Irwin has just accepted the management of this team. While in Syracuse, Irwin also expects to sign "Buck" Freeman.

Irwin's mission to Cleveland was to sign the four Deleahy brothers for his Altoona team. Willie Deleahy joins the Birmingham team of the Southern League this coming season. James Deleahy is covering third for the Boston Nationals; Frank Deleahy is a member of the New York Americans; Joe is with the Buffalo team in the Eastern League, while Tommy Deleahy is with Pueblo, Colorado, team of the Western League.
